Hi Don,

Looking forward to Thursday, and yes, please let me know what specific information you'd like me to provide or any questions that you want to be sure I address. Also, as an fyi, the Planning Department is still working on their analysis of the roll out of the community plan updates. We will of course share info once we have it, but they don't have a schedule yet for all of the plan updates.

Thanks,
Tricia

Hi Don,

Please count both Tricia and I confirmed for Thursday's meeting.

Could you please share what you'd like Tricia to speak to or prepare for?

Thanks so much.

Good Morning Tricia & Anna...

My day got away from me yesterday before I could ask / confirm whether or not we can plan on your attendance at Thursday's Westchester Town Center BID Board meeting to discuss the Board's interest in CDO revision.

What do you think?
